For Immediate release:

CMAI Launches Ethylene Glycol, Oxide & Derivatives Market Advisory Service

Houston, TX – [Chemical Market Associates, Inc. \(CMAI\)](#) announces the launch of the [Ethylene Glycol, Oxide & Derivatives Market Advisory Service](#), to enable CMAI to bring our clients the experience and expertise required to continue providing the highest quality in our consulting services. This service will provide a thorough and dynamic view of the changing world markets for Ethylene Oxide, EO Derivatives and Ethylene Glycol.

The **Ethylene Glycol, Oxide & Derivatives Market Advisory Service** includes:

- A monthly summary report that provides updates and forecasts on pricing, production economics, supply/demand and trade, for MEG, DEG, TEG and a number of major EO derivative products.
- One-on-one consulting time with industry experts based in Houston, Singapore, Shanghai, and Dubai.
- Access to CMAI's website price and economics database (historical and forecast price data updated once a week) and unlimited internet downloads of market reports.
- The ***Economy & Energy Overview Report***, emailed to clients monthly, supplements this service with analysis on the global and regional economic trends and valuable data on crude oil and natural gas dynamics.

The capability to remain up to date with rapid changes in the global Ethylene Oxide industry and to reliably forecast market direction requires the focused efforts of experienced personnel gathering information and analyzing important trends and changes in the ethylene oxide end-use chain. This new CMAI Market Advisory service will be led by Tison Keel, Director – Ethylene Oxide & Derivative Studies, who has more than 25 years of ethylene oxide and derivatives market experience. Tison is joined by CMAI consultants based in Singapore, Shanghai, and Dubai, whose analysis and insights will help to ensure that CMAI clients receive a one of a kind consulting experience that delivers personalized attention and timely information.

[CMAI](#) is the premier provider of [Market, Planning and Business Advisory services](#) offering a unique combination of consulting analytics and expertise for the global chemical, plastics, fibers and chlor-alkali industries. With offices in Houston, New York, London, Dubai, Düsseldorf, Singapore and Shanghai, CMAI has provided expert business advisory services to a broad base of companies across multiple value chains and geographies since 1979.
