CMAI Announces Four New Petrochemical Company Handbooks for 2009 Covering Europe/CIS/Africa, Middle East/India, Asia and the Americas

Houston, TX – Chemical Market Associates, Inc. (CMAI) announces the new **2009 Petrochemical Company Handbooks** with comprehensive global information focused on four regions: Europe, CIS and Africa in one volume, Middle East and India in the second volume, Asia in the third and the Americas in the fourth volume. The full-color **2009 Petrochemical Company Handbooks** profile the major producing chemical companies for each of these regions and provide details of all producers, their plant locations and nameplate capacities for the products they produce. They also illustrate the production capability for these companies and include maps by product. The company and location flowcharts also provide an integrated overview of consumption capacity and total production capacity on a site by site basis, a unique feature of these Handbooks. The Asia & The Middle East/India Petrochemical Company Handbooks are now available, The Europe/CIS/Africa & The Americas handbooks are due out this summer.

Each book has the latest company information including:

- Company Flow Charts & Integration in a concise format
- Producer Location Maps by Product
- Full Listing of All Producers, Locations and Nameplate Capacities
- Company Ownership
