CMAI Completes 2011 Middle East/India Petrochemical Company Handbook

Houston, TX – [Chemical Market Associates, Inc. \(CMAI\)](#), acquired by IHS Inc. (NYSE: IHS - www.ihs.com), announces the completion of its second petrochemical company handbook for 2011, [The Middle East/India Petrochemical Company Handbook](#). Presented in full-color format, flowcharts for each company and geographic location show the product flows, as well as the location of each production facility. In addition, production and consumption data included in the flowcharts indicate the degree of product integration of both companies and locations. Maps illustrate the geographic concentration of chemical facilities for various countries and states/regions. Product capacity tables list the nameplate capacity for the reference year 2011. Company ownership and consumption factors for base chemicals complete the comprehensive overview of the chemical industry in Middle East and Africa.

Each Handbook contains the latest company information including:

- Company & Location Flow Charts with Product Integration Data (Production/Consumption)
- Producer Location Maps by Product
- Full Listing of All Regional Producers, Locations and Nameplate Capacities
- Company Ownership

CMAI's [2011 Petrochemical Company Handbooks](#) are available in book and CD-ROM format, with online access for two years. For more information, visit CMAI's website at www.cmaiglobal.com.
