**For Immediate release:**

## **CMAI Celebrates 30 Years of Service as the Premier Market, Planning and Business Advisory Firm for the Chemical Industry**

Houston, TX – Today marks the 30<sup>th</sup> Anniversary for [Chemical Market Associates, Inc. \(CMAI\)](#), the global industry leader for consulting to the chemical, plastics, fibers and chlor-alkali businesses. With origins in Houston with three consultants in 1979, CMAI has grown into an international business, with experienced consultants in seven worldwide locations in six countries. Clients to [CMAI](#) services include a wide array of chemical and oil refining companies, technology & engineering enterprises, banking and financial institutions, plastic converters, textile and apparel manufacturers, retailers, government agencies and trading groups.

In conjunction with their 30<sup>th</sup> Anniversary year, CMAI has rebranded their business lines to [Market Advisory Services](#), [Planning Advisory Services](#) and [Business Advisory Services](#), to better identify respective activities. CMAI's Market Advisory Services include corresponding Market Reports that provide access to the firm's recognized experts providing the most accurate assessments and analysis on near-term markets for the key chemical product groups. The Planning Advisory Services, which include Annual Product Analyses and Special Focus Studies, focus on forecasts of world markets for key chemicals, plastics, and fiber intermediates and provide a comprehensive study of long-term market trends.

CMAI's Business Advisory Services engages in confidential interactive studies for clients around the globe. Each study is uniquely tailored to address the specific challenges and issues facing each client, and leverages CMAI's globally positioned and experienced industry-focused consultants who contribute their own unique skill sets to the primary business advisory areas. In these Thirty Years, CMAI has become the leader in providing strategic, business and project planning, technical and financial analysis and litigation support for this complex industry.

Gary Adams, President of CMAI, states, "Our consultants around the world, expertly supported by a very professional group of associates, take great pride in the fact that our firm has flourished for these Thirty Years. We approach each and every client engagement, whether for the largest NOC's or the smallest market participants, with an intense focus on delivering the very best in innovative and forward-looking consulting services. *Thank you for allowing us to take part in your success – for the past Thirty Years and for the future!*"
